

June 10th, 2010

Dear Friends of Anguilla.

Having given you the exciting news a month or so ago about the **change in management and ownership of Sirena Resort (to be Anacaona Boutique Hotel from October 15th, 2010.** We now feel that even though it is still the middle of the Summer you might be thinking of the **Festive Season for 2010/2011.** We know by the reservations already coming in for that period, other people are having the same thoughts. Hence this email to suggest that you **book as early as possible** for that time period in order to enjoy all the new changes (updates, entertainment etc.) that we will be making to the hotel and the great value that we are offering. **Come and enjoy a thoroughly Anguillian Festive Season with us, we know you will enjoy it. Also if you play golf don't forget to bring your golf clubs (or you can rent them here!)**

The word **Anacaona** means **flower or feather of gold in the Taino/Arawak language.** **Anacaona** was also a **Princess of Hispaniola and a very beautiful lady apparently and well known in her own right.** We plan to make Anacaona (aka Sirena) the cultural entertainment centre of Anguilla, offering dinner theatre with music, dance, jollifications, play acting and visual historical lectures a few times a week. This will bring to our visitors something that has been missing for a long time on Anguilla – a touch of what the culture of the island is in depth and learning what the past is really about, whilst relaxing and enjoying themselves. **If you**

have clients and/or friends staying at other hotels and villas on Anguilla please suggest they come and see our cultural offerings at Anacaona (Sirena) they will leave Anguilla with a very much better understanding of what the island is all about. Throughout the year we will also offer niche experiences for **artists, photographers, birdwatchers, culinary, wellness, crafts, and of course, golf.** We will also welcome wedding parties looking for that Very Special Place.

Anacaona (aka Sirena) is a 27 room and suite full service boutique hotel, it is located **in the heart of the trendy West End overlooking and with access to the talcum powder white sands of Meads Bay beach.** We see it as a **small intimate, cultural and fun place to be.** We want to **give value for money for people who want a slightly different ambience from a larger hotel or resort.** Anguilla is a **paradise for those who appreciate quality, friendly people, stable government, warm weather, beautiful beaches and excellent restaurants.** Anacaona Hotel, built in Mediterranean style with Caribbean accents and colors with West Indian balconies, is overseen personally by Robin & Sue Ricketts and managed very professionally by Delroy Lake.

The hotel has **two swimming pools.** The **larger of these is near the Main House with access to Firefly poolside bar and restaurant.** The second, somewhat **smaller, is in the middle of the tropical garden close to the three suites.** The **beach is an easy stroll on a comfortable footpath through the garden.** Hotel guests have **sun loungers and umbrellas, there is also food and drink beach service**

In the Main House there is a **reception, lounge, boutique, massage centre, Firefly restaurant and poolside bar,** Along with **two of the junior suites.** **Firefly Restaurant and Bar offers Old Fashioned Caribbean cuisine with Eurasian accents.**

Allamanda House which has **20 hotel rooms** whose **West Indian balconies or terraces** are all designed with **views of the tropical gardens and ocean views of Meads Bay.** The **superior double rooms (16)** are located on the first, second and third floors and the **standard rooms (4)** on the second floor. Our **Junior Suites (4)** are located on the top floor of our Main House and in the tropical gardens with ocean views. The **suites (one 3 bedroom and two 2 bedroom)** are located in the centre of the tropical gardens not far from the smaller pool and the beach.

Below are our rates for your perusal, please let us know if you have any questions. **Deposits for the Festive Season (from three nights depending on length of stay)** are due 48 hours after reservation has been made. **Final Balance is due by October 15th, 2010 and is thereafter non refundable.** Travel insurance is suggested.
