### Five Fab Getaways

Dreaming of your next getaway? Check out one of these fabulous destinations.

#### [Iceland Bachelorette Vacation](#)

I don't watch the ABC "reality" show *The Bachelorette*, but apparently the search for love took the frisky cast to Iceland. Of course, that inspired some clever person in IcelandAir's marketing department to create the "Travel Like a Bachelorette Package." Regardless of how I feel about the show, the package sounds pretty cool. The \$799 per person package price (based on double occupancy) includes round-trip air from New York, Boston, and

Toronto, airport to hotel transfers, 2 nights at the 4 star Hilton in Reykjavik, one night at the 4 star Hotel Ranga resort, horseback riding, driving tour and more. Thank goodness, a rose ceremony is not included. Travel through October 1 – December 12.

#### [Nantucket Inspired Spa Treatments at Spa by the Sea](#)

The Spa by the Sea at The Wauwinet in Nantucket offers spa treatments using aromatic flowers and herbs straight from their garden as well as luxurious products by Kerstin Florian. Treatments, ranging in price from \$155-\$225, include the Cobblestone Massage, Atlantic Seaweed Body Wrap, Nantucket's Salt & Sea Scrub, and the Lavender Crush. In 2010,

guests that spend \$100 or more at the **Spa by the Sea** receive a spa credit of \$25. Rates at The Wauwinet start at \$500 in August, \$365 in September, and \$225 in October.

#### [Park Hyatt Aviara Resort Opens in Southern California](#)

Hyatt's newest resort opened on June 22nd. Located just north of San Diego in Carlsbad, the Park Hyatt Aviara is set on the northern shore of the untouched wetlands of the Batiquitos Lagoon. The Park Hyatt Aviara is a 205 acre resort designed in the Spanish colonial style and is set off by palm

trees, expansive gardens, rolling hills, and views of the Pacific Coast. Of the 329 rooms, 44 are suites and all rooms have a private balcony or a landscaped terrace. The property first opened in 1997 but is a new addition to the Hyatt portfolio of properties.

#### [Affordable Chic on Anguilla at the Anacaona Boutique Hotel](#)

Save the date of October 15th for the opening of the new Anacaona Boutique Hotel. Currently known as the Sirena Resort, the Anacaona's 27 rooms and suites are located in 3 1/2-acres of frangipani and coco palms. Perks will include cold towels and rum punch on arrival, free Wi-Fi and Internet, and even drinks and lunch service on the beach. Luxurious and affordable, room rates for most of the year begin at \$150 a night (double) – and even in peak season the
