PHOTO GALLERY: 30+ Beach resorts YOU can afford

Fortunately, putting yourself in this idyllic setting doesn't have to break the bank. There are [affordable beach resorts all over the world](#)—from [Florida](#) to [Greece](#)—where a night's stay doesn't cost much more than dinner and wine with friends at your favorite local restaurant.

Every year, [Travel + Leisure](#) staff scours the globe to find great, inexpensive coastal resorts; none of the properties on our list costs more than \$250 a night (and some cost much less).

Most of this year's best affordable beach resorts are just what we envision when we daydream about holidays in the sun. At the [Anacaona Boutique Hotel](#) on [Anguilla](#), for example, waiters deliver rum punch right to your beach chaise beside the clear turquoise waters of Meads Bay. And at the romantic Tambor Tropical, on [Costa Rica's Nicoya Peninsula](#), you and your sweetie can retire to a private mahogany-and-teak villa after a day of snorkeling and sea kayaking.

Of course, you don't have to leave the [U.S.](#) to find a great affordable beach resort.

The 94-room [Costa d'Este Beach Resort](#) is a window into 1950s Florida, with Art Deco-style furnishings and elegant rattan furniture. With a night's stay just \$139, you can afford to shell out for the spa's signature Hot Lava Shell massage (taken beachside, of course).

If you're looking for an affordable beach resort that's not quite the traditional palm-shaded

At the [Tott Hotel Visby](#), for example, set on the Swedish island of Gotland, the starkly modern, glass-walled rooms and villas overlook the (often bracingly cold) [Baltic Sea](#).
